

Hess Corporation is a leading global independent energy company engaged in the exploration and production of crude oil and natural gas. We are committed to meeting the highest standards of corporate citizenship by protecting the health and safety of our employees, safeguarding the environment, and making a positive impact on the communities in which we do business.

Hess through the North Dakota State Fair Foundation provides scholarships for high school seniors who are current members of either 4H or FFA organizations. Eight scholarships in the amounts of three (3) **\$10,000** scholarships and five (5) **\$2,000** scholarships will be awarded following review from the North Dakota State Fair Foundation selection committee.

Hess Corporation has donated \$40,000 to be administered through the ND State Fair Foundation in scholarships to eligible North Dakota 4-H and FFA students.

Hess Corporation has set forth the following guidelines for the selection committee:

- Applicants should be narrowed down to **8** finalists. These finalists will be chosen based on their applications alone.
- The finalists will then partake in an interview with a member(s) of the selection committee. Selection committee is free to determine questions/length/method.
- The three \$10,000 scholarships are intended to be distributed in three areas:
 - Four-year oil and gas related industry (engineering, geology, etc.)
 - Four-year oil and gas community support (first responders, teachers, etc.)
 - Trade school (electrician, plumbers, etc.)
- The \$2,000 scholarships should be awarded to the remaining five finalists.

With the guidelines above, the committee is entrusted to make the best decisions based on the applications and the interview process.

- The committee should do their best to include several people with different backgrounds. Some suggestions include:
 - 4-H and/or FFA adult leader(s)
 - ND State Fair Foundation or ND State Fair board member(s) or employee(s)
 - Oil and gas industry professional(s)
 - Community leader(s)
 - Teacher(s)
- If an applicant or finalist is seen as a conflict of interest for the committee member, it is recommended that they recuse themselves from that applicant's evaluation or remove themselves from the committee.

This program is created in a way that allows a wide range of students with various future in the oil and gas industry to be eligible for the scholarships.
